

# LIROS Nylon Rope

# 00110

Classic rope for mooring, with high stretch and 3-strand twist make it easy to splice. High strength and excellent resistance to abrasion. 100% Nylon manufactured to DIN 83330/EN696, heat set, white with green or marine blue marker yarn. Stretch characteristics 20%

- very easy to splice
- high strength and excellent resistance to abrasion
- UV-stabilised
- many industrial applications
